

Hi Families,

This is an exciting year! I will be using a resource called ReadyRosie to communicate with you and to provide meaningful activities that you can do at home to support your child's learning.

ReadyRosie is a simple tool for you to:

- Hear what we are doing in the classroom
- Discover activities and games you can play that relate to classroom learning
- Have more fun than ever with your child through meaningful interactions

The best part is that each activity/ game is modeled in a 2 minute video so you and your child can watch together and then play the game! You will receive these videos and communication via text message, email, and/ or by downloading the app.

I will need your email and/ or mobile phone to invite you to ReadyRosie. Please fill out the information below and return by tomorrow, so you can receive your invitation via text or email as soon as possible!

Thank you for partnering with me and for being active in your child's learning through ReadyRosie!
